

Coronavirus Update 20/03/2020

Further to our announcement earlier in the week we have now suspended all Parkside services apart from the 1:1 work. As you realise this is a time of real change and anxiety for all of us, but we are mindful of our responsibility to safe guard both our staff and service users at this difficult time. All groups will be suspended for 12 weeks from close of business today.

This remains an ongoing situation and we will be reviewing it in line with any government changes.

We hope you all keep safe and well.
